

Fine, Great, Whatever

*Author's Note:*

Draw in this book! Color in the pages! Do what you want!

FINE

Sometimes,

When someone asks me  
this question:

How was your day?

I'm not sure what to say.

There never seems  
to be a way

unexpected fast exhausting  
boring hilarious  
weird exciting  
incredible sad long frustrating  
a blur

**F I N E**

to fit it all  
in one answer.

which is why

I make

Diary  
Comics

# Diary Comics

+  
are  
COMICS

about  
your life.

Why would anyone  
wanna make comics  
about their life?

yeah...  
why?

BECAUSE I HAVE SO MANY FEELINGS

BECAUSE I WANT TO FEEL AGAIN

BECAUSE WORDS AREN'T ENOUGH

BECAUSE PICTURES AREN'T ENOUGH

BECAUSE I HAVE A CRUSH

BECAUSE I WANT TO BRAG

BECAUSE I WANT TO REMEMBER

SOMEONE WHO'S GONE

BECAUSE MY LIFE IS IMPORTANT

EVEN THE BORING STUFF

What's **COOL**

about

diary  
comics

is...

You don't  
have to show  
anyone!

Unless you want to.

O.K.

Let's get it over with.

I don't know  
where to start..

You could draw yourself as 3 dots and a squiggle

You could draw yourself as

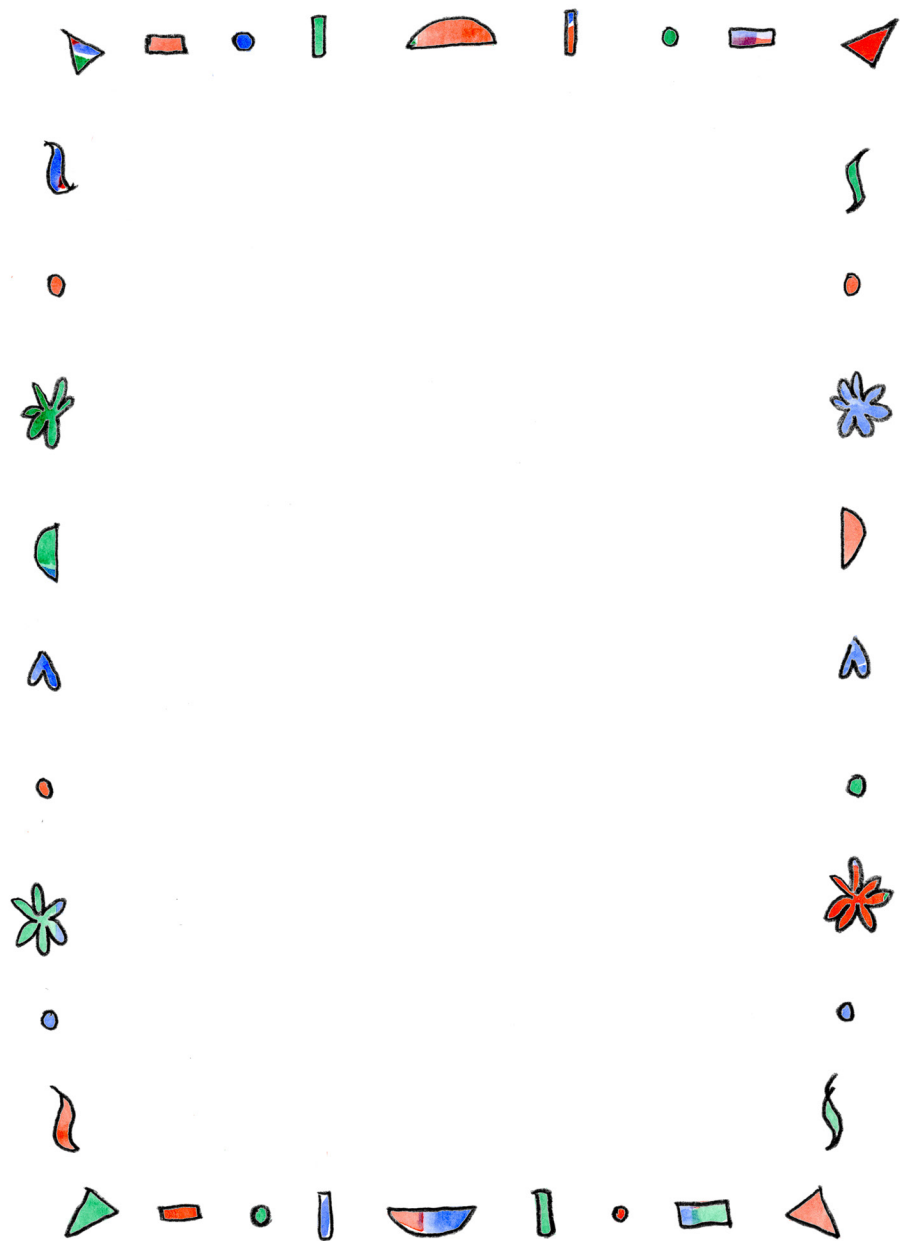

Try on whichever **You**

You feel like

GREAT

Now that Cartoon You  
is out in this great big world,  
you might be wondering  
what you are up to.

Nothing is actually  
a good place to start.

There are a lot of ways  
to do nothing.

When were the last  
few times you were up to  
nothing at all?

---

---

---

Now give **C**artoon **Y**ou  
a chance to do nothing.

Add a background  
for you to do nothing in.

# Congratulations

... a great day!

And not just any good day

a **Y**es day

What makes you

say

Yes!

?

What stops you in  
your tracks?

wow

What makes you feel  
really, really good?

PUT IT ON... THE LIST!

# YES!

COOL sunglasses

Spring time

Your dog's nose

singing your heart out

Petting your cat

Going to the movies in the day

Whoa

and leaving the theater at night

Your 'Yes' list might look totally different, and that's because there are billions of Yes's out there.\*

YES

- yes -

# Remember Cartoon You?

You've just been doing nothing  
these past six pages.

Let's set you up with something  
from your **Yes** List.

Show us!

Why is it on your Yes List?

**Why** does it make you feel awesome?

**Why** does that song make the best soundtrack to your day?

**Where** can I get my own salty pretzel?

**What** does your cat do when you pet them?

Some days  
are full of No's.

the smell of  
the tree outside the  
library in the fall

NO

When someone  
says your  
name wrong

after you  
told them

door slams

drawing  
and drawing

but it still  
doesn't look right

That One

What's on your **NO** list?

DOWN IN THE ABSOLUTE  
DUMPS,

or everything  
at the same time.
